A screenshot of a software download page for Autodesk AutoCAD LT. The page has a title bar with a close button (X). Below the title, there are two tabs: "Download" and "Serial numbers". The "Serial numbers" tab is active. Under this tab, there are three expandable sections for different versions: "Version 2016", "Version 2015", and "Version 2014". The "Version 2016" section is expanded, showing a table with two columns: "Serial Number / Product Key" and "Seats". The first row in the table shows a serial number "558- / 057H1" and "1" seats. A red circle highlights the "Serial Number / Product Key" column header and the first row. A red arrow points from the "Serial numbers" tab to the "Serial Number / Product Key" header.
